25X1A9a 1. Mentioned at the Deputies' meeting that Henry Byroade of State would be receptive to an invitation to visit CIA. The Director indicated that Frank Wisner and I might well give him a luncheon and Frank suggested that we add [REDACTED] I undertook to make arrangements.

25X1A9a 2. Mr. Wisner referred to a special report on the situation in Surinam which had been obtained by one of [REDACTED] people at the request of Mr. Dulles. At the meeting I spoke to Mr. Wisner and requested that he give O/CI a chance to look over the report, since it appeared to be in the nature of a current intelligence judgment, and later spoke with Mr. Wisner and suggested that [REDACTED] have a chat with [REDACTED] so as to make clear the handling of intelligence reports going outside the Agency. This question arose merely because this general report was, apparently, intended for the White House. Mr. Wisner agreed. 25X1A9a

3. Attended ADs' meeting and undertook to introduce Gen. Partridge at the Orientation Course on Wednesday.

4. Spoke to Gen. Partridge and Gen. Weckerling respecting JCS 1953/11. Both seemed upset about releasing a JCS paper which had not been passed on by the JCS, but Partridge suggested that we get it from the Office of the Chief of Staff of the Army, in the form of a memorandum from that office which was identical with the JCS paper. Accordingly, I called Gen. Oakes, Sec. of the General Staff, and told him that if he could not clear dissemination with us I desired to speak with Gen. Bull.

25X1A9a 5. Spoke with Gen. Partridge as to the IAC designee for the summary evaluation of the vulnerability study. Partridge indicated that an air officer had been decided upon and I spoke with Ackerman on this. Later was informed by Ackerman that Gen. Samford, upon his return, had indicated a desire to sit on the senior committee. So advised [REDACTED] of O/NE, and also suggested that they get in touch directly with Col. Porter and a representative on the working level committee.

25X1A9a 6. Upon receipt of instructions from DCI, cancelled a projected meeting with Gen. Weckerling and Fisher Howe respecting intelligence support to [REDACTED] Also drafted letter and cable to [REDACTED] accomplishing, I hope, a graceful withdrawal from this situation. Later spoke with [REDACTED] 25X1A9a
